

Handprint Sun

Materials:

- paper plate*
- yellow construction paper*
- pencil*
- markers*
- glue*
- scissors*

Step #1: Paint or color your paper plate yellow. Let it dry.

Step #2: Trace both of your hands four times, so you have 8 handprints total.

Step #3: (Adults) Cut out each handprint.

Step #4: Glue the handprints around your paper plate.

Step #5: Draw a mouth, nose and eyes on your sun!
