

Let's Go Camping

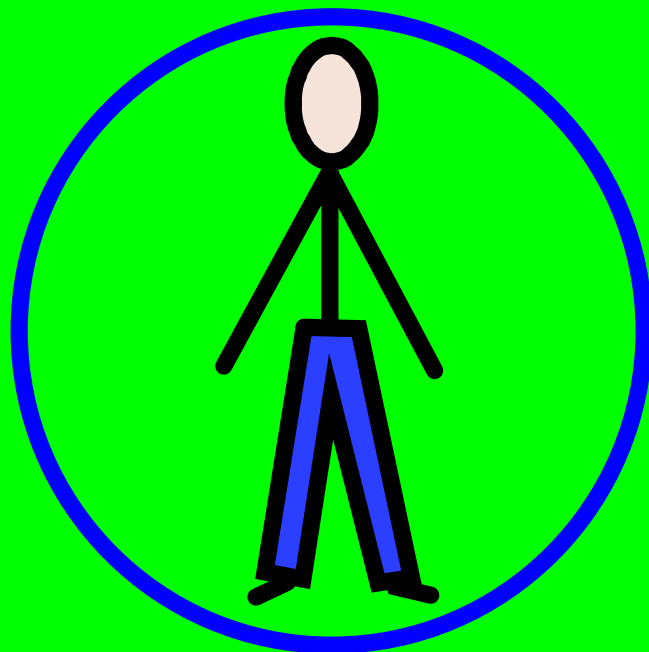

By: Adrian Drower

I say, "Let's Go
Camping",

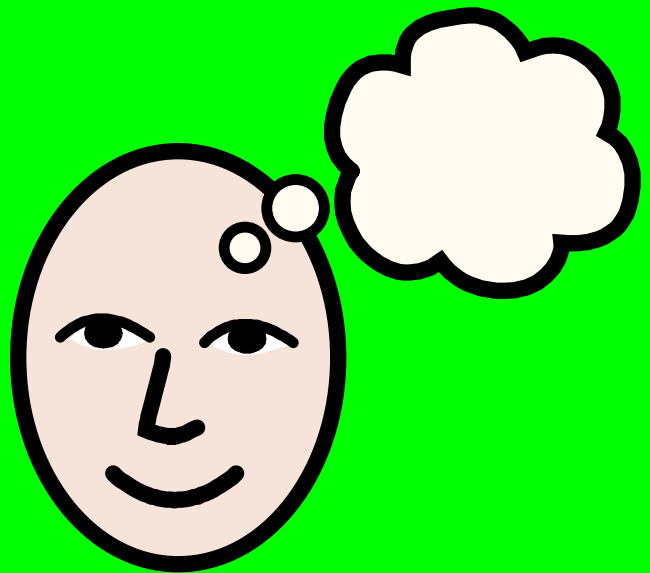

**Mom says, "Ask your
dad".**

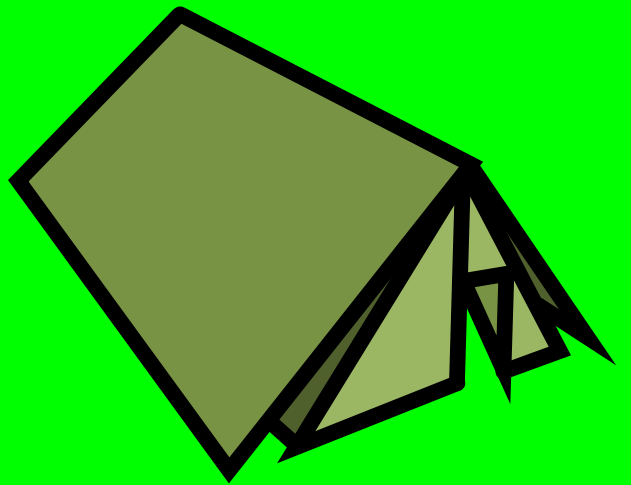

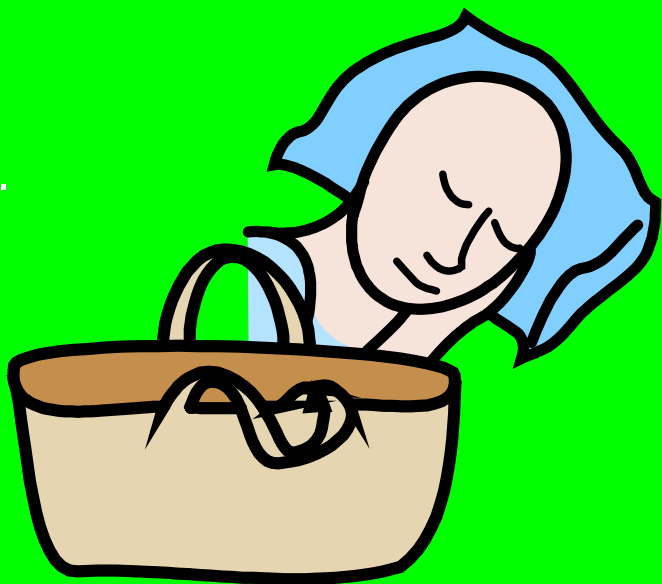

I say, "Let's Go
Camping",

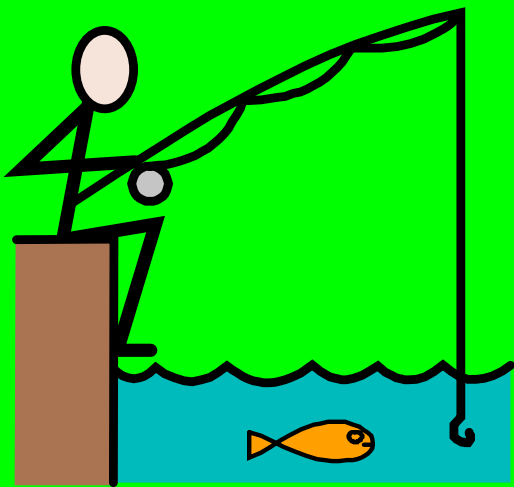

Dad says, "What will
we need"?

**We need sleeping
bags and a tent.**

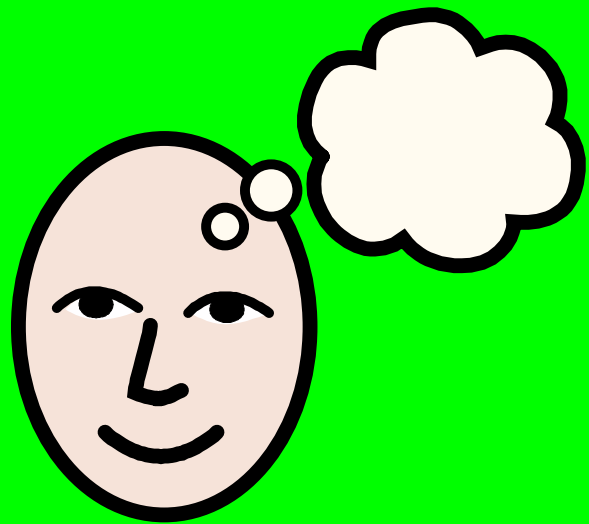

Fishing poles and a lantern.

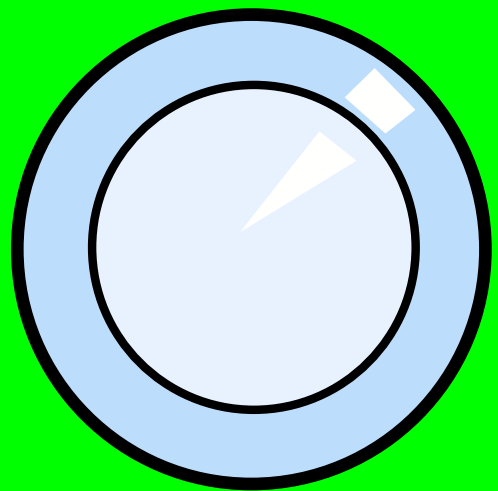

I say, "Let's Go
Camping",

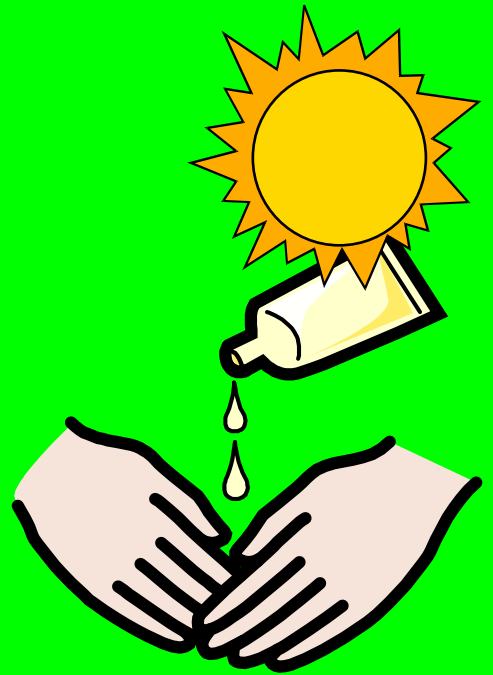

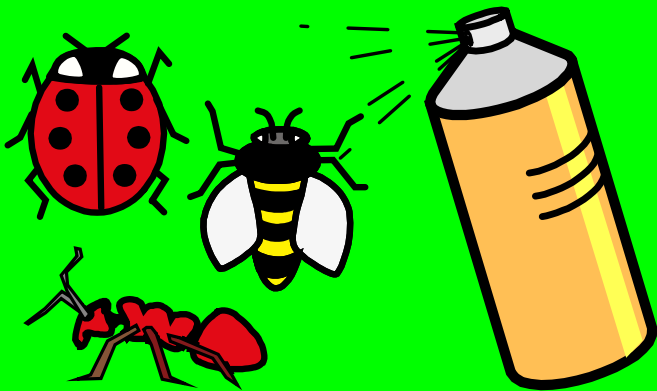

Dad says, "What are
we missing"?

We need food and plates.

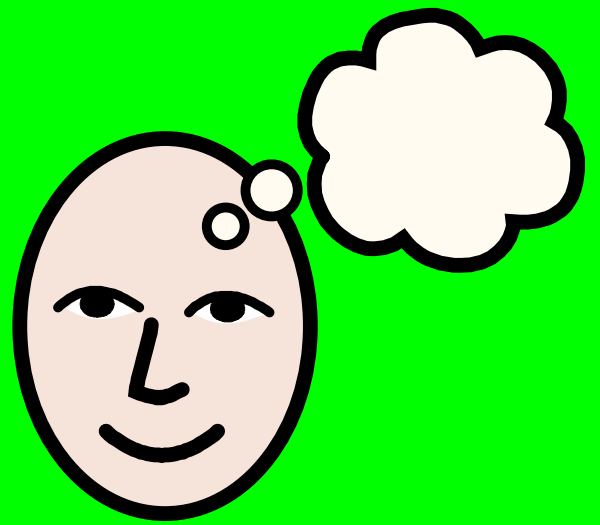

Bug spray and sun lotion.

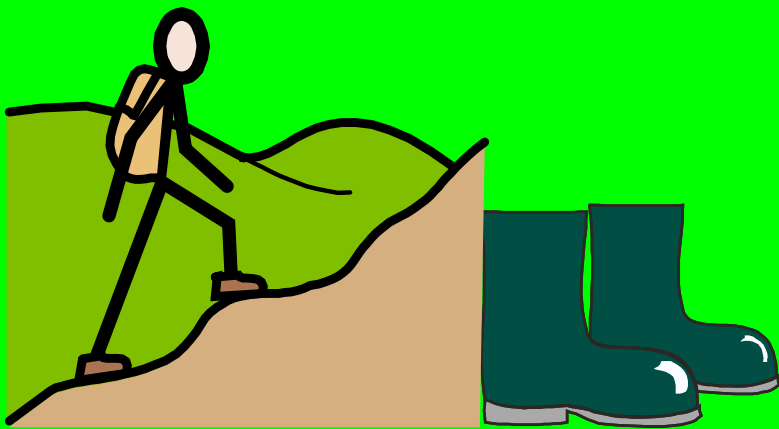

I say, "Let's Go
Camping",

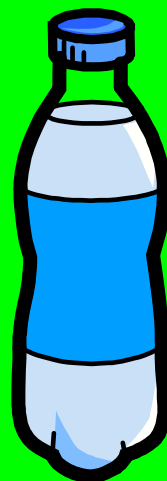

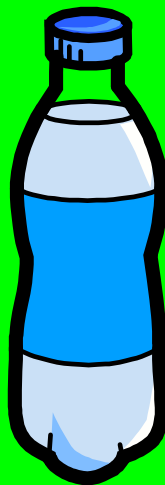

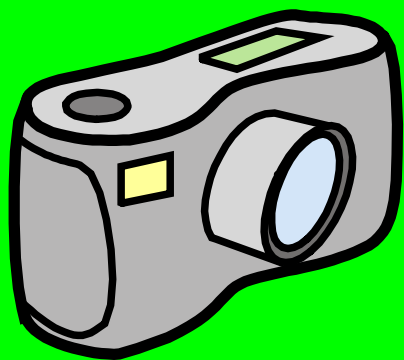

Dad says, "What are
we missing"?

**We need hiking boots
and a hat.**

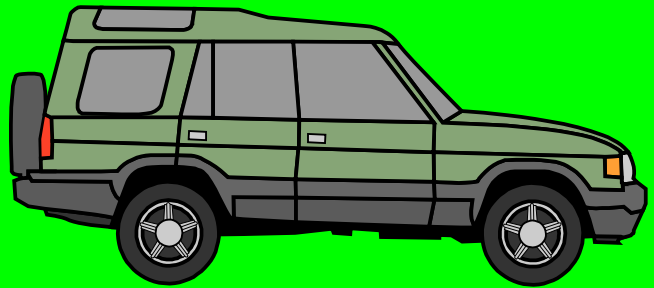

A camera and water bottles.

I say, "Let's Go
Camping"

Dad says, "Let's
pack up our car".

**My dad and I are
going Camping,**

This will be fun!
